

Summer Vacation Assignment**Marks: 100****Creative Minds | SRHS**

The school is looking to develop a website for the institution. You are assigned to design a webpage with the following specifications.

Create the following four pages:

1. About Us: A description of the school, faculty and what is taught here.
2. Photo Gallery: At least 5 images of school or any events from the past.
3. Contact Us: Contact information of the school and other ways of communication.
4. Me: A summary of the designed website and references with your name, roll no, class and section. (max. 100 words).

Note: This is the minimum requirement of the webpage you are asked to design. However, you can add your own creativity the way you want. Once you have designed the webpages, put the files in a separate folder on a computer and upload it on a Compact Disk (CD). Put it in an envelope with your name, roll no, class and section written on it. Once you have transferred the files on the CD check the files on the CD to make sure it's working.

You can use any textbook as a reference or you can browse online for HTML tutorials. You have to mention the names of the textbook or websites you have taken help from under the heading "References" on the 'ME' page of your website. Under any circumstances, you are not allowed to copy someone else's work or ask someone else to do it on your behalf. Violators will be marked zero.

You can log on to our website <http://www.srazahighschool.in/Students> for any help and materials related to this assignment.
